

European breeders challenge

Bruges Arabian Horse show, West Coast Cup & Elran Cup are working together on a new concept!

Participate in every European Breeder Show and win some **beautiful prizes** (to be announced soon)!

- EVERY own bred horse (Foal until Senior – regular classes) from an European citizen can participate in the **European Breeder show**. Only horse owners with less than 15 horses will be included in the challenge.

In other words **EVERYONE IS MOSTLY WELCOME** we just add some extra fun for the smaller breeders!

- The horses can be presented by anyone (professional / a passionate owner...)
- Depending on the place you achieve in the class & championships you receive points, at the last show (Elran Cup) everything will be calculated together.
- The show will go on like it always does but there are some 'rules' for the horses that compete in the challenge:
 1. You are an European citizen
 2. You are the breeder & owner of the participating horse
 3. You own max. 15 arabian horses (ex. The foal(s) of this season)
 4. The horse participates in the 3 Belgian shows

PS: Gelding classes are not included in the challenge
Thanks to Al Bidayer Stud, who is supporting the gelding classes with prize money!

We hope to see you all & let's have FUN!
