LOCATION

Villa Spineda Loredan

Villa Spineda Gasparini Loredan is an 18th-century Palladian style villa of the noble Loredan family located in the town of Volpago del Montello in the Veneto region of northeast Italy.

The complex of Villa Spineda-Gasparini-Loredan is located in the village of Venegazzù of Volpago in Montello (Treviso). The villa is believed to have been designed, and the construction project followed, by F. M. Preti (1701-1774) and his pupil, G. Miazzi (1698-1797). The Villa belonged to the Spineda family, the first owners of the Villa, until 1907, when Countess Matilde Spineda died and Cavalier Giovanni Gasparini became her heir. His son, Jacopo Gasparini, the honorary governor of Eritrea, bestowed a period of splendor upon the Villa. After his death, the Villa was inherited by his daughter Lia, married to a Loredan. In 1996, the complex was purchased by Benetton Sport System who had been the building refurbished and associated statues and sculpture groups restored. The restoration of the complex was preceded by a project on the state of conservation of all the buildings and the type of materials used (see section "Projects").

International B show and C European Show are regulated by the Blue Book 2024, and will take in Volpago del Montello (TV) at "Villa Spineda Gasparin Loredan". The B show is an ECAHO affiliated SHOW and it is under EAHSC rules. The organizing committee reserves the right to modify the present programme for the good success of the show. No class may be split unless there are more than 10 horses entered. Combination of a class with the next age group of the same sex is permitted if the number of entries for the class is below three. The number of the pectoris will be attributed according to the date of birth of the horse, following an increasing criterion (from the smallest to the biggest).

B INTERNATIONAL SHOW- CONDITION OF ENTRY

Horses must be accompanied at the show by a horse passport issued by a WAHO recognized Stud Book containing all vaccination records. Those horses coming from a country that does not issue a passport, must be accompanied by an official Registration document, issued by a Stud Book, which includes a graphic description and all vaccination records. If, when a horse attends a show, its passport is at the Registry for any reason, then a letter from the registrar attesting to this must be provided along with a photocopy of the passport, including the description and the vaccination records.

No horse will be permitted to enter the show ring unless its name and all other relevant details have been printed in the catalogue. Each horse entering the fairground must be covered by proper insurance for damages caused. The person responsible for the horse is the registered owner or the lessee, but the person who signs the entry form, the handler, and other support personnel including but not limited to grooms and veterinarians may be regarded as additional persons responsible if they are present at the event or have made a relevant decision about the horse. Should the person responsible designate someone to represent them (e.g. a lawyer) any correspondence sent to this representative will be deemed to have been communicated to the person responsible.

The maximum number of horses judged must not exceed 100 per day.

No horse under 6 months of age may be exhibited without its mother.

No pregnant mare will be shown if she has been pregnant for more than 40 weeks after the last cover date.

It is advisable to bring a valid fertilization intervention certificate (CIF) to the show. (The handler must produce a CERTIFICATE OF FERTILIZATION (CIF) valid at the time of the DC's request. The DC or the Judges may ask a veterinarian for a rectal examination.)

B INTERNATIONAL SHOW AND C EUROPEAN SHOW – RULES FOR TIES IN QUALIFYING PLACES

If there is still a tie, the higher place will be given to the horse with the most points for movement. If the highest and lowest points are eliminated, only the remaining points for type and movement are considered in the tie break. Failing a decision on either of these, one judge will be chosen by ballot whose class scores will be used to break the tie.

B INTERNATIONAL SHOW AND C EUROPEAN SHOW – RULES FOR TIES IN CHAMPIONSHIPS

In the event of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. B INTERNATIONAL SHOW AND C EUROPEAN SHOW – RULES FOR CHAMPIONSHIPS

Open method

The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship. The number of horses qualified from each class will be officially announced by the show organizer in the schedule and the show catalogue. 1. The Championships will be judged as follows: a. All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers. b. The horses will be judged individually, standing and trotting. c. Each judge will nominate his choice for gold silver and bronze medals together at the same time, from amongst all the horses qualified for the championship. Points will be given to the nominated horses as follows:

- A horse nominated by a judge for Gold Medal will receive 4 points.
- A horse nominated by a judge for Silver Medal will receive 2 points.
- A horse nominated by a judge for Bronze Medal will receive 1 point. The Gold Medal will be awarded to the horse with the most votes for Gold Medal Champion. In case of an equal amount of vote for Gold Medal Champion, the Gold Medal will be awarded to the horse with the highest number of championships points. From the remaining horses: The Silver Medal will be awarded to the horse with the highest number of championship points. The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points. In the case of a tie, the Rules for Ties in championships will be followed. The judges will not discuss the horses.

2. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

3. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship.

4. All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show. In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship.

During the prizegiving ceremony, the horse may only be on the lead of the designated handler or substitute deemed capable at the discretion of the ringmaster/DC.

5. In Title show, A shows, GCAT shows, and the World Championship all horses that qualified for their respective Championship must remain at the showground until after their championships. Any horse leaving the showground before their Championship will be disqualified.
